Call Of War: 12 Months High Command Download Windows 7 Free

Download >>> <http://bit.ly/2NIGfix>

## About This Content

As a member of the High Command, you can use certain comfort functions in Call of War. High Command enables better cooperation possibilities with your allies and advanced control over your units and production.

Following benefits are included in High Command:

- Mobilization and Construction Queuing
- Enhanced Artillery Fire-Control System
- Enhanced Game Creation Options
- Unit Rally Point Setting
- Multiplayer Shared Intelligence
- Custom World Herald-News Picture Placement
- Dedicated In-Game High Command Chat
- More Simultaneously Active Matches

---

*\* Note: Each DLC pack may only be purchased and activated once per Call of War account. Previous ownership of items contained in the DLC package does not constitute a valid reason for refund or compensation, so please check them carefully prior to purchase. Any monetary value, quotation or price provided in the details is non-binding and for visualization purposes only.*
