Dear Muslim: *Assalamo Alaykom Wa Rahmatollah-e Wa Barakaatoh.*

This is the verdict which the great Imam Shaltut, the late head of al-Azhar University, issued concerning the *Shi'ah* school of thought. The verdict is followed by Imam Shaltut's letter addressing a *Shi'ah* scholar.

Head Office of al-Azhar University

IN THE NAME OF ALLAH, THE BENEFICENT, THE MERCIFUL

Text of the Verdict (*Fatwa*) Issued by His Excellency
Shiekh al-Akbar Mahmud Shaltut,
Head of the al-Azhar University,
on Permissibility of Following *al-Shi'ah al-Imamiyah* School of Thought

His excellency was asked:

Some believe that, for a muslim to have religiously correct worship and dealing, it is necessary to follow one of the four known schools of thought; whereas, *al-Shi'ah al-Imamiyah* school of thought is not one of them nor *al-Shi'ah al-Zaidiyah*. Do your excellency agree with this opinion, and prohibit following *al-Shi'ah al-Imamiyah al-Ithna Ashariah* school of thought, for example?

His excellency replied:

1. Islam does not require a muslim to follow a particular sect. Rather, we say: every muslim has the right to follow one of the schools of thought which has been correctly narrated and its verdicts have been compiled in its books. And, everyone who is following such sects can transfer to any other, and it shall be no crime on him for doing so.

2. The *Ja'fary* school of thought, which is also known as *al-Shi'ah al-Imamiyah al-Ithna Ashariah*, is a school of thought that is religiously correct to follow in worship as other *Sunni* schools of thought.

Muslims must know this, and ought to refrain from unjust prejudice to any particular school of thought, since the religion of Allah and His Divine Law (*sharyat*) was never restricted to a particular school of thought. All jurisprudents (*mujtahidun*) are accepted by Almighty Allah, and the one who is not *mujtahid* is allowed to follow them; and practice what they prescribe in their jurisprudence (*fiqh*), and there is no difference in that regarding worship (*ibaadaat*) and dealing (*muamelaat*).

Signed,
Mahmud Shaltut

His excellency the great Allamah Mohammad Taqi al-Qumi:

the general secretary of The League to Bring Together Islamic Schools of Thought
(*Jama'at at-Taqrīb bain al-Mathahib al-Islamiyah*)

Salamollah Alaykom Wa Rahmatoh

Then, it is my pleasure to send your excellency a copy of the verdict, bearing my signature, which I issued on the permissibility of following *al-Shi'ah al-Imamiyah* school of thought, hoping that you document it in the *Jama'at at-Taqrīb*, which we participated in its establishment with you, and Allah grant us success in achieving its mission.

Wa Assalamo Alaykom Wa Rahmatollah

Signed,
Sheikh al-Jaamea al-Azhar,
Mahmud Shaltut
