Hi! I'm here to talk about chew wga v0.9 indir gezginler, which is a really cool game released recently, so I thought you might be interested in it. If you want to know more details about this game, please find out more by clicking on the link I've included below. <https://www.youtube.com/watch?v=R6N5-klfcEI> Hopefully I run into you sometime soon! --Artık Birazda Olsun! Hi. This blog post is posted in the course of the preparation for the game, so it might be a little bit older than if I usually post it. However, I would like to write another blog entry about this game. If you play this game, please leave a comment that if yes or not you like the game and why (maybe because of different reasons). Also, I'll show you some pictures. Will be waiting for your comments again! Hi. It's time to write an article about Chew WGA. You can see that chew wga is a zombie game. I know you like this kind of games. But it's not like we usually play; we use weapons and we kill zombies in it, but we can't do these things in chew wga. So it's different from the popular games like these and I think it makes this game more interesting and attractive. Let's discuss more! In this zombie, you have to save your life from these walkers. The way to do it is very easy. Just make steps on the map and you will be increased in level. You can also escape from here by destroying a force field with a gun or a grenade. If you want to survive in this game, you have to find a weapon. If a grenade isn't enough for you, then try an AR-15 because it can kill all walkers around in just one shot, but it's very expensive! I'll show you some pictures about weapons when I'm done talking. This game is based on the game, "PA-28", in which you can use plane to fly in air. Actually you can't fight in air in this game because it has low FPS. But I think it's pretty cool anyway, so I wanted to introduce this game here. Enjoy! Hi again! So everything is ready for the last week of school. The snow is falling down and many people are depressed about their studies these days. And they cannot buy new shirts or trousers either; that's why they always choose lettered T-shirts and ugly trousers.
